Full Description: Brand New VeriFone VX670 Wireless GPRS with Smart Card Terminal manufactured by Verifone. You will get the Verifone VX670 Terminal and charging power pack. Shipping is free within the United States. A standard international shipping rate of \$59.00 will apply to all orders outside of the U.S. for this product. Southern Merchant Inc. recommends checking to see that your current processor is compatible with this product. Information on the Verifone VX670 Wireless Terminal: • Lightweight wireless terminal so you are not fixed to a location

- Display that shows 128-by-128 pixels equipped with anti-glare, adjustable contrast, dimming capability, intuitive ATM-style interface, and oversized menu prompts simplify training and reduce calls to the helpdesk.
- Large, well-placed, blue backlit keys provide improved tactile response to simplify usage and minimize finger slips.
- Integrated high-speed thermal printer prints quickly and silently, and simplified paper loading virtually eliminates paper jams.
- Triple-track, high-coercivity card reader handles most magnetic stripe cards.
- Optional Base Station with battery charger supports connectivity to a UART module or a 14,400 bps modem via USB dongles.
- Accepts all types of payments, Visa, Mastercard, American Express, Discover and Debit Cards.
- 32-bit processing and multi-tasking capabilities make short work of payment, payment-related, and value-added applications.
- Pin Pad included to handle PIN-based applications.
- RoHS Compliant.
- "Always-on" wireless connection uses the latest wireless technologies, including GSM/GPRS and Wi-Fi with 802.11g technology for faster transmission and enhanced compatibility with access points and routers.
